Customer: What are the pricing plans available for your software?

[ROUTED TO] SALES

Support: Hello! Thank you for reaching out to ABC Technologies.

We currently offer three different pricing plans for our software:

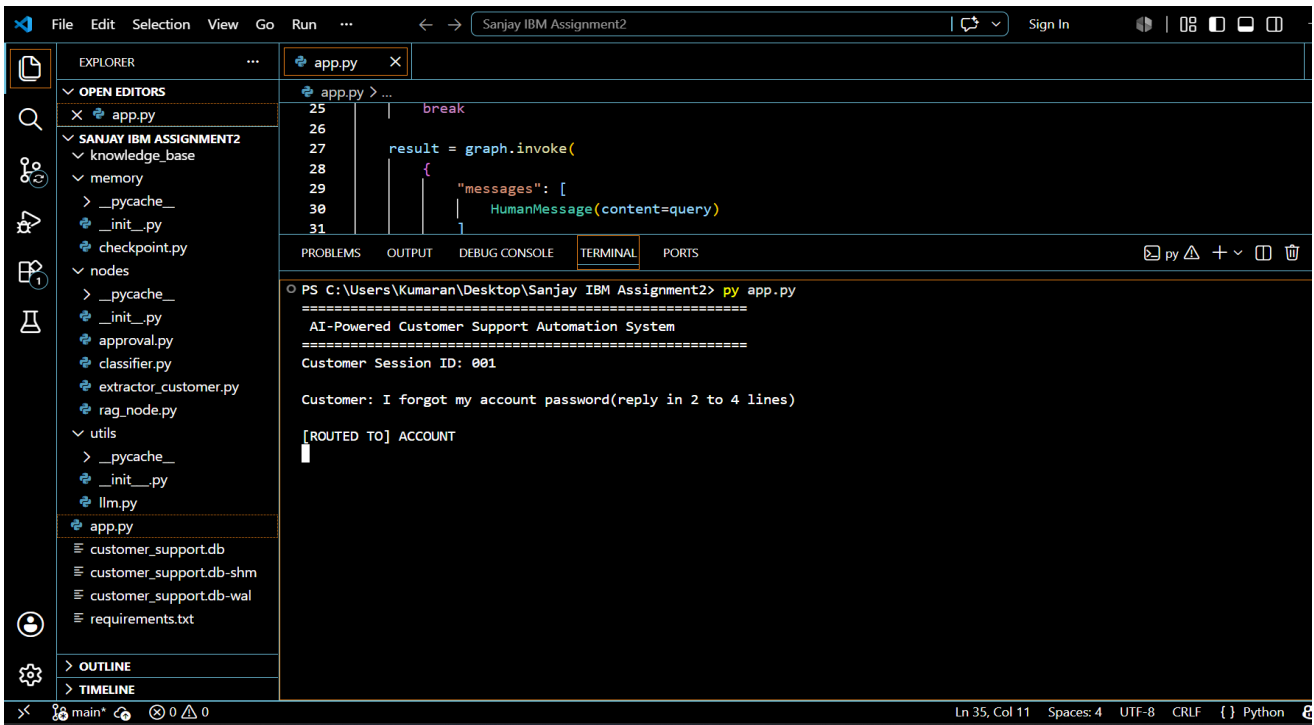

1. Basic Plan: $19 per month.
2. Professional Plan: $49 per month.
3. Enterprise Plan: Contact Sales directly as this plan requires a custom quote and is tailored to meet your specific needs.

Additionally, we provide a 15% discount on all plans if you choose an annual subscription for one year of use. Would you like more information about the annual pricing or any other details?

Customer: I forgot my account password(reply in 2 to 4 lines)

[ROUTED TO] ACCOUNT
```

```
Customer : I forgot my account password.

Assistant:

Certainly! Here's a refined version of the customer response that maintains politeness and professionalism:

---

Hello,

Thank you for reaching out. If you've forgotten your account password, we can help you retrieve it in several ways.

### Method 1: Using Your Email Address or Phone Number

**Step 1:** Visit the login page of your Alibaba Cloud account.
- Enter your email address or phone number associated with your account.
- Click on "Forgot Password?" that is usually displayed below the input fields.

**Step 2:** Follow the instructions provided to reset your password via email or SMS/text message.

### Method 2: Contacting Alibaba Cloud Support

If you do not have access to your email address or phone number, you can contact our support team:

1. **Visit the Alibaba Cloud Support Website:** Go to [https://support.alibabacloud.com/](https://support.alibabacloud.com/)
2. **Select Your Country/Region and Language**
3. **Choose a Category for Support:** Select "Account & Security" or another relevant category that pertains to your issue.
4. **Submit a Ticket:** Fill out the form with your account details and specify what help you need (password reset).

### Method 3: Creating a New Account

If resetting your password is not an option, you can create a new Alibaba Cloud account.

**Steps for Creating a New Account:**

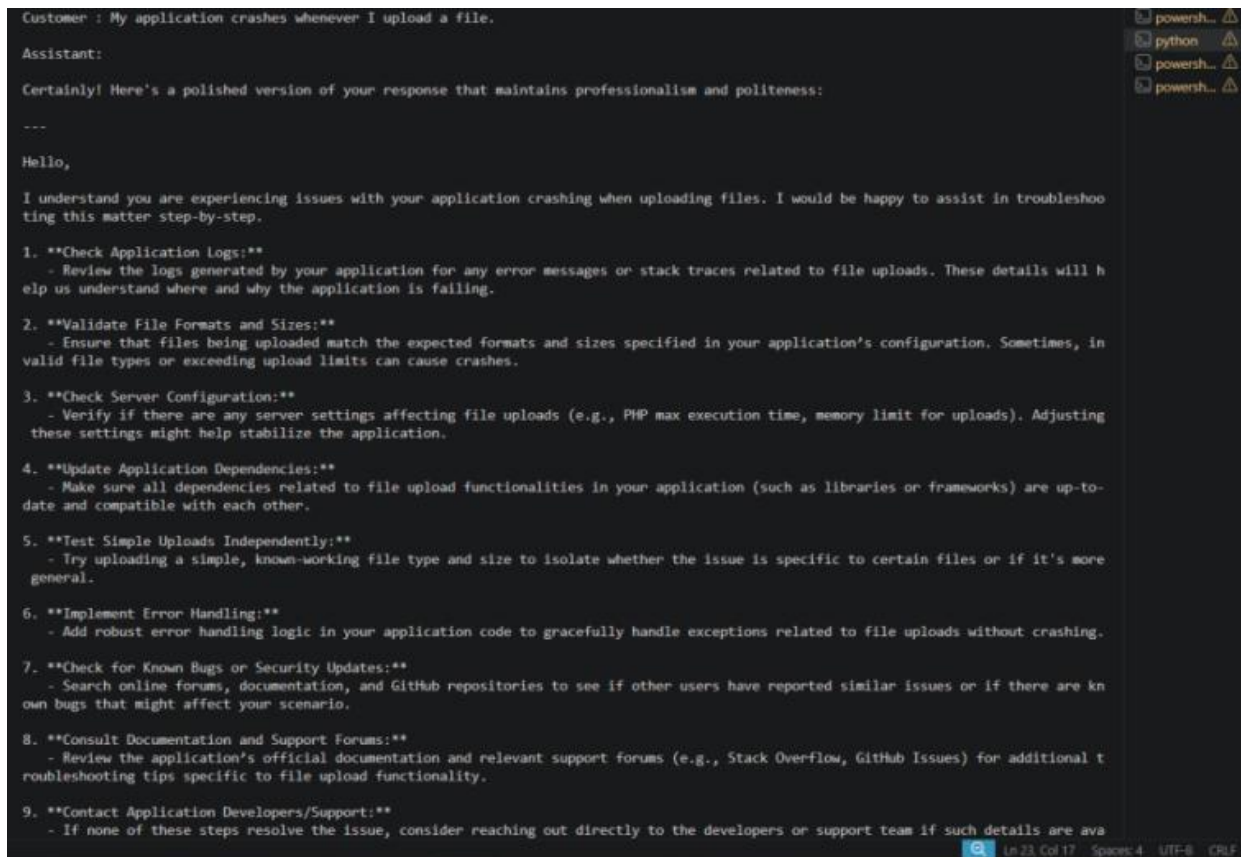

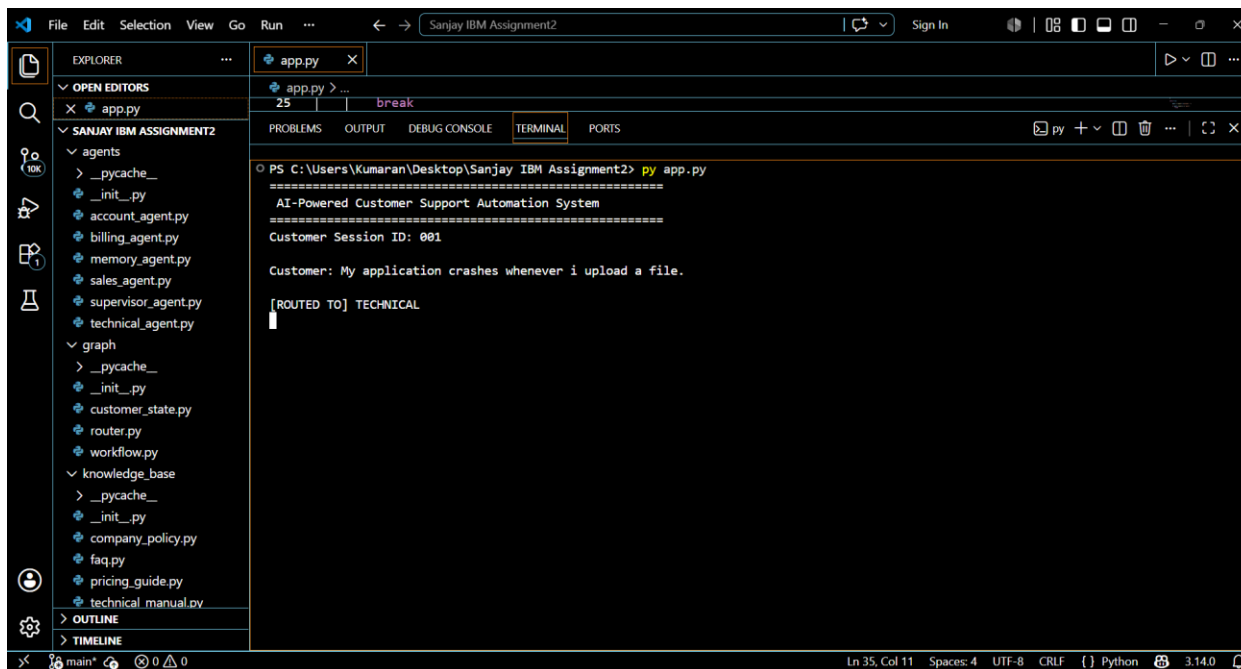

1. **Visit the Alibaba Cloud Website:** Go to [https://www.alibabacloud.com/](https://www.alibabacloud.com/)
2. **Click on Sign Up:** There should be a button like "Sign up" near where you see the login option.
3. Fill out the required fields with your personal information and choose an email address or phone number for verification.

Once you've completed these steps, either by resetting your password using one of the methods above or creating a new account, you'll have access to your Alibaba Cloud account again.

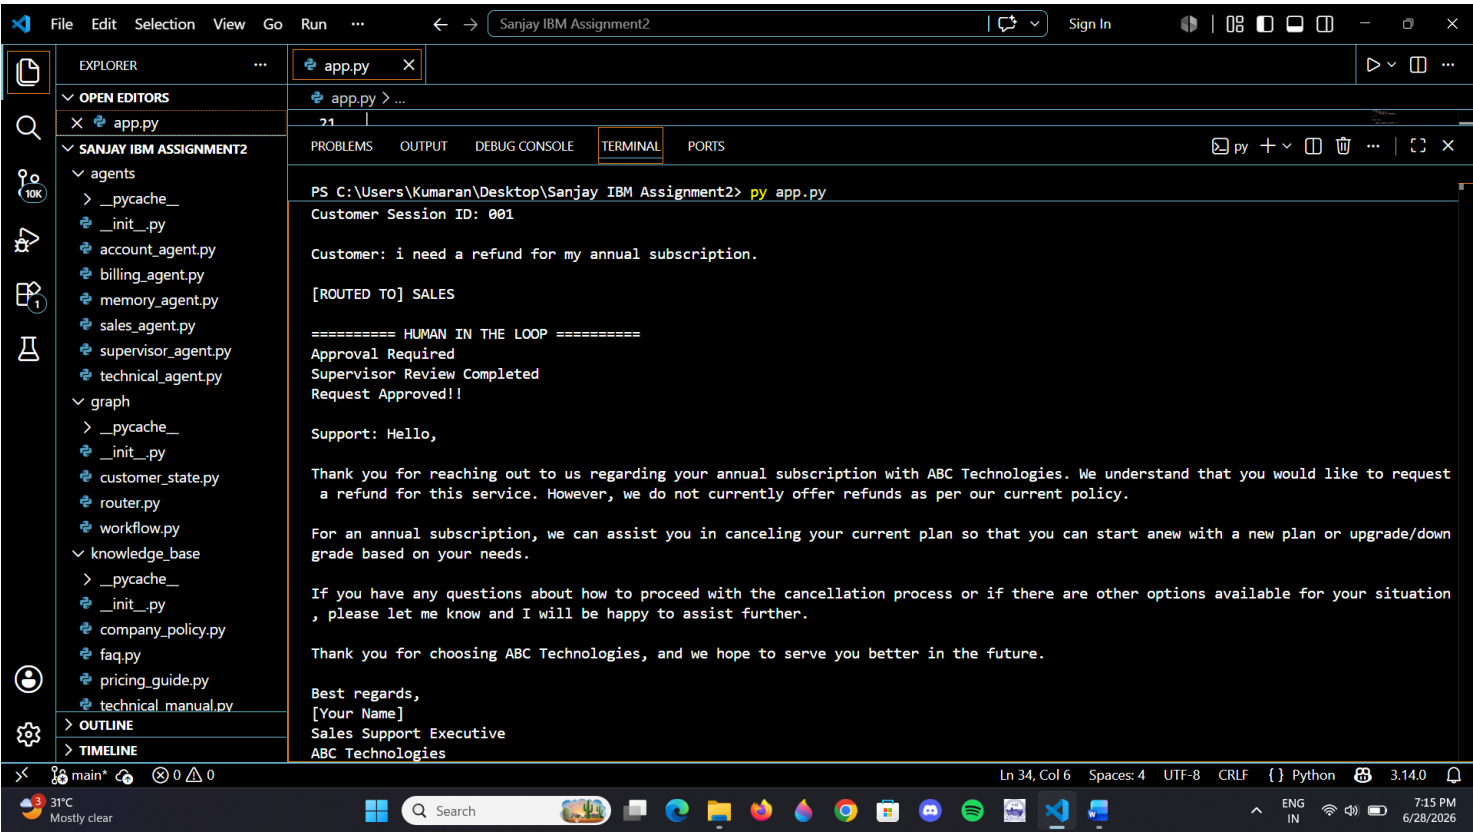

Thank you for choosing Alibaba Cloud. If you need further assistance, feel free to contact us.

Best regards,
```
